Warning!

Every (I repeat: every) sex and head ad in the underground press is now being answered by stooges (often women) making lists of names for The Man. That is how they got Eric Galt, the suspected assassin of Martin Luther King. Think it over. - G. Legman

The above ad was paid for by author G. Legman, a self-imposed exile in Paris. He may be too excitable - or he may not be. - The Editors
